CLICHÉ DANGER

p. 37; 10-14-25

Telling a senses-faith institutionalized
carnal congregant to "just be yourself" is not good advice for any of them.

May as well say "Let your old nature have its way"!

Same as saying "Let your conscience be
your guide" or "follow your heart" to a hard-hearted unbeliever!

(Or "what is the universe telling you" or
"LISTEN to your MUSE"! "Let fate decide" as you flip a coin or throw a dart,
or bet on a ballgame, or "ROCK-PAPER-SCISSOR" a dilemma.)

Conundrums aplenty and enigmas like tidal waves overwhelm the souls of the
spiritually inept.

THE DISCERNINGS OF THE FAITHFUL

p. 38

Discerning distinctions unveil nuances of
attitude of heart and circumstantial variables only available to recognize by
those who faithfully live the "more excellent way" of high level love of God
in the renewed mind (entire) made manifest by the spiritually renewed heart
and soul, mind and strength,

Thus overcoming, in deed overwhelming,
all principality and power and might and dominion...

These dilemnations glorious set the faithful
far above and free from enchantments and divinations [Numbers 23:23] that
we speak the wonderful works of EL in light of "what hath EL The Mighty
wrought"!

HEBREWS 13:8 p.56; 10-22-25

Despite all the TRINITARIAN dorkage
stacked like compost on to the minds of the malleable,

Jesus Christ remains, eternally,
NOT GOD!

GOD BE GOD and by GOD THE HE BE
ONE, UNO-GOD!

The Great I AM do be what HE AM,
and the rest be bad HAM or damn SPAM.

“I am Jehovah, I change not,” stands as
foundational stability to ALL of LIFE and GODLINESS.

All contrary arguments of theological
numb and dumbness is sculptured DUNG;

The product of madmen and deranged
women, daft and dissolute.
